Why waste your breath moaning at the
crowd?

Nothing can be done to stop the
shouting

If every tongue was still the noise
would still continue

The rocks and stones themselves
would start to sing.

See my eyes I can hardly see
See me stand I can hardly walk
I believe you can make me whole
See my tongue I can hardly talk
See my skin I'm a mass of blood
See my legs I can hardly stand
I believe you can make me well.
